## Overview

Built in 1936, the theater retains its historic charm and offers audiences an intimate experience for every performance. An elegant space for meetings and events, the Montgomery Theater also hosts a variety of local cultural and performing arts organizations.

The Montgomery Theater is located across the street from the Convention Center, making transportation and parking easy with a Light Rail stop at the theater entrance and several pay parking lots across the street. The Theater also shares a new elevator with the City National Civic.

## Fast Facts

- Built in 1936; retains historic charm with elegant appearance and contemporary upgrades
- Intimate experience for any performance, meeting, or presentation
- Conveniently connected to City National Civic
- Easy access to parking, public transportation, hotels and restaurants
- Home to Children's Musical Theater San Jose
- Beautiful courtyard perfect for outdoor entertaining, registration or cocktail reception prior to event
- Spacious Lobby entry way with built in concessions booth

## Stage Dimensions

Stage Size	50' W x 30' H
Proscenium Opening	26'W x 14' H
Stage proscenium Width	26'0"
Height	14'0"
Curtain line to back wall	30' 0"
Curtain line to up-stage pillars	22' 0"
Width of stage wall-to-wall	50' 0"

There is a 10' extension that covers the pit. The cover belongs to Children's Musical Theater. If your show requires, it can be installed by eight workers on approximately a four hour call plus a one day truck rental.

## Load In

- A truck or van can park directly outside of the main load in door. The door is a sliding door 12' high by 12' wide
- There is no truck parking at the theater

## Stagehands

### General Guideline of Rates and Conditions:

- Class A is entertainment including plays, dances, circuses, fund raisers, concerts and fairs. There are three separate type labor calls for a Class A events. Load In for which there is a 4 hour minimum. Performance Call which commences 30 minutes prior to curtain and ends 3.5 hours after curtain or you shall be billed on the hour for OT; this is a flat rate. Load Out is a 4 hour minimum or 3 hours if one worked the show call.
- Class E is corporate, corporate parties, commercial and industrial events, trade shows, computer generated presentations, as well as audio and/or video recording, where the product is to be sold to the attendees or the general public. Any event, including Class A events, where an audio and/or video signal is broadcast outside the room from which it originates, and/or said event is recorded for future broadcast or commercial distribution, will be considered a Class E event. For Broadcast, Webcast and Simulcast rates, see Exhibit A. 8 Hour minimums for everyone but loaders who have 5 hour minimums.
- Stagehands break for 15 minutes after 2 continuous hours worked and break for meal after 5 hours worked. Work on stage shall cease for 1 hour during non-paid one hour meal breaks. 30 minute meal breaks shall be paid and the stage hands shall have their meal provided for them by the client. Meal penalty is two times the prevailing rate. Returning from a 1 hour meal break a stagehand receives a 2 hour minimum.
- Work between the hours of Midnight and 7am shall be paid at double time.
- There shall be department heads for Sound, Electrics, Video and Carpentry. The steward is above the call. Standard union rules apply.

## Stage Rigging

- 14 sets of lines (hemp house)\*
- 5 wood battens, which vary in length, approx. 24'-35' long
- 9 pipe battens, which vary in length, approx. 24'-35' long
- 1 Grand Drape. Grand can guillotine or bi-part on a traveler
- 1 set black velour drapes (4 borders, 8 legs)
- 1 black velour traveler
- Not in general masking plot.
- 2 transverse pipes (1 stage left, 1 right) with 4 lighting ladders available for each side, (operated by electric winch system). Note that stage left transverse is onstage 1" further than stage right transverse.\*
- 3 upstage (Low ratio) hand-winch operated battens one of which generally hangs the white cyclorama.
- Theater has a 36' genie personnel lift.

\*NOTE: Exact number and location of battens is subject to change.
